

What is TAB?

McIver's Grant Public Library's Teen Advisory Board
is not just your average teen group!

TAB members work together
to help shape YA programming and policies,
earn volunteer hours, offer book suggestions
and - yes! have a great time together.

TAB members learn the inner workings of a board,
take on leadership responsibilities,
report to the library director,
and promote teen activities at the library.

YOU are Invited!

Do you wish to be a part of something BIG?
