- Aug 29 5:30pm Family Movie Night: Fair Day Feature—Charlotte's Web 

### TECH TIME TUESDAY: PRESERVING MEMORIES

Dan Burch, local photographer, joins us for August 6th's Tech Time Tuesday to highlight easy and accessible ways to digitize those precious family mementos for future generations without fancy equipment. Aug 6, 5pm-7pm with breaks.

*Show our sister libraries  
some love!*

Come along with McIver's to the Newbern Public Library street festival, 9am-2pm on Saturday, Aug. 10, and stop by our table to say hi!

ALL MONTH LONG

## Art Talks

Mimi Cherry's warm, rustic works will be gracing the McIver's Art Wall during August and September. Initially a casual hobby, her art can now be found in stylish homes across Dyersburg.

## A Double Feature

Our Tech Time Tuesdays of August 13th and 20th, both from 10am-12noon, will be lead by library director Kathryn McBride!

Aug. 13: From downloading movies to practicing for nursing exams, learning Russian to breaking in a new Kindle, this free two hour class will explore the many exciting things your community library has to offer. Feel free to bring a device you'd like to view library materials with and we'll make sure you're all set before the end of class.

Aug. 20: Are you sick of not finding what your looking for? Do your Google searches mislead you to a credit card payment page? Looking for accurate, up to date information on medical and health standards or a broad perspective on controversial topics? The library is the place for you! Kathryn will walk you through the beginnings of research techniques for health, wealth and happiness. The two hour class will move into advanced techniques during the second half and patrons are encouraged to bring their questions!
