## THANK YOU!!

Alderwoman Meghan Gilbert went above and beyond for her community library when she dedicated hours of time and effort to create and lead programming with local youth during multiple Uplift Summit events. Joining her was Brian Gilbert for 'Innovation & Entrepreneurship' on Sept. 19 and Mayor Holden for 'Citizenship' on Nov. 14. Speaking with groups of 15-30 teens and young children, these guests discussed envisioning futures, advertising products and Dyersburg planned projects. Thank you Alderwoman Gilbert and guests for making these events a success!
