

# McIVERS GRANT PUBLIC LIBRARY

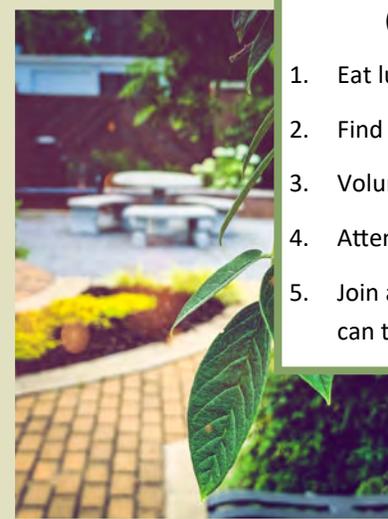

STRENGTHENING OUR COMMUNITY

JUL 2019

## YOU CAN DO *WHAT...?*

### 10 Things to do at McIver's Grant

...besides check out books

1. Play board games
2. Relax and meditate with coloring sheets
3. Get some privacy in our conference room
4. Discover leaves on your family tree
5. Download movies, audiobooks, ebooks  
(okay, yes, technically that's a book! :)
1. Eat lunch in our Community Garden
2. Find seeds for that perfect perennial to plant
3. Volunteer
4. Attend a free computer/tech/research class
5. Join a group: quilters, handicrafts, StoryTime, anything you can think of!

### IMPORTANT DATES

- Jul 9 10a-12p Tech Time Tues: Privacy
- Jul 12 Summer Reading Program closes
- Jul 16 10a-12p Tech Time Tues: Your Computer
- Jul 25 10a-12p Job Fair
- Jul 25 1p-3p UpLift Summit: Healthy Living

### Art Talks

Rhonda Heathcott brings her bright and cheery oil paintings to the McIver's Grant Art Wall this month. Stop by to view her portraits, landscapes and beautiful, impressionist interpretations of nature.

## SMARTPHONE PHOTOGRAPHY

### A FREE TECH TIME TUESDAY CLASS

An evening Tech Time Tuesday class was taught on June 18th by guest instructor Alan Ingalls of Alan Ingalls Photography. Patrons learned insider tips and tricks for producing professional quality photographs using the camera we all seem to carry around these days—our smartphone!

Wish you could have been there?

We have Tech Time Tuesdays every 2nd & 3rd Tuesday of the month. Join us!

## UpLift Summit: Healthy Living

The last UpLift Summit, called *Presenting Your Best Self*, had a great turn out on April 4th. Participants from elementary school to high school ages were given activities, games and fun opportunities to meet new people and challenge themselves to be their best selves. We hope to repeat that on July 25th, from 1pm-3pm, when we host the second UpLift Summit: *Healthy Living*. Community members, library staff and volunteers will have something for everyone as we explore what it means to become a healthy young person—inside and out. We hope to see you there!

## DID YOU KNOW?

These days, you can download library items to pretty much any platform or device you'd like! Having trouble? Bring your device in for some free librarian one-on-one guidance any time.
