IT'S ALL ABOUT THE COVER

Here at McIver's, we all love to read—even though we never have the time! And for most of us, we DO judge a book by its cover; that's what draws you in! We're as bummed as you that patrons can't browse the stacks to pick out their books, but we've developed a few ways you can still find that perfect cover:

- Call us at 731-285-5032 and ask us to find your perfect book match—that cover, genre, illustrator, style or author that you love
- Browse the beautiful covers in our print catalog at www.McIversGrantPublicLibrary.org -> Explore -> In House Catalogue
- When you arrive, you can come to the front desk or call from your car. We'll deliver them right to you; no need to walk out into the heat!

Don't miss out...

We've got so many great new titles coming in, especially for our Summer Reading Program, that we've started creating book review videos! Check them out at our YouTube channel; just search for McIver's Grant Public Library.
