

McIVERS GRANT PUBLIC LIBRARY

STRENGTHENING OUR COMMUNITY

JUNE 2019

KICK-OFF!

The Summer Reading Program kick-off was held with great success on May 29th. Over 300 children, families, youth group participants and volunteers gathered inside McIver's Grant to celebrate this year's Summer Reading Program theme of 'Universe of Stories' with various games, play stations, crafts, snacks and special guests, including the city school district's star therapy dogs, Bear and Maggie. Alderwoman Gilbert read this year's proclamation, after being interrupted by a surprise visit from Pbbbt, a green, one-eyed alien who will be joining this year's Summer Reading events.

Art Talks

Joyce Colson and the Quilters of McIver's have contributed this month's display, along with a drawing for a gorgeous, hand-worked quilt! Come see our library wall and enter your name for a chance at our drawing, which will be held on June 26th.
